

## Memorandum

Date: September 8, 1998

To: Members of the Delta Protection Commission

From: Lester A. Snow  
CALFED Bay-Delta Program

Subject: Bay-Delta Advisory Council Meeting, Stockton, September 10-11, 1998

I would like to invite you to attend the upcoming meeting of the CALFED Program's Bay-Delta Advisory Council which will be held later this week in Stockton. The Council will be meeting all day on Thursday, September 10, and on Friday morning, September 11. A draft agenda for the meeting and a map are attached for your review.

I want to draw your particular attention to Friday morning's agenda, when BDAC members will be brought up to date on the ongoing efforts to refine the Ecosystem Restoration Program actions in the Delta. Margit Aramburu, Director of the Delta Protection Commission, along with Tom Zuckerman, will be briefing BDAC on the efforts of Delta stakeholders who have been working closely with CALFED staff and other stakeholders to build an environmental restoration program in the Delta which maximizes preservation of agricultural lands while creating vitally needed habitat.

We look forward to seeing you this week in Stockton.
